## **RIVERSIDE PARTNERS CLOSES FUND V AT \$561 MILLION WITH ATLANTIC-PACIFIC CAPITAL AS GLOBAL PLACEMENT AGENT**

NEW YORK / LONDON / HONG KONG – Atlantic-Pacific Capital, the largest independent global placement agent and advisory firm, announced today the final closing of oversubscribed Riverside Fund V, L.P. (“Fund V” or the “Fund”) with \$561 million of capital commitments. The Fund achieved its hard cap in six months and received strong support from existing investors while also attracting new limited partners, including pension plans, endowments, family offices, and fund-of-funds. Atlantic-Pacific Capital served as the exclusive global placement agent and advisor.

“In an environment where approximately 1,900 funds are raising capital, investors appreciated Riverside’s consistent strategy, proven performance, and highly impressive team,” said Jennifer Tedesko, Partner at Atlantic-Pacific Capital. “We wish Riverside and its limited partners mutually fruitful success in the coming years.”

Fund V will continue Riverside’s focus on investments in established and growing middle market healthcare and technology-oriented companies. This focus includes investing in and adding value to founder- and management-owned companies where Riverside can utilize a highly flexible approach to customize transactions to meet owners’ specific objectives as well as work with management teams to drive significant post-closing improvements in the business.

“Just as it did for our Fund IV raise in 2009, the Atlantic-Pacific team drove an organized and targeted process that allowed us to be in and out of the market in a short timeframe,” said David Belluck, General Partner of Riverside. “This minimized distraction from our existing portfolio companies and from pursuing new investment opportunities. We very much value Atlantic-Pacific’s assistance in the process of fundraising.”
